Re: Docket No. 2006-92-W/S

Please provide a copy of Carolina Water Service Application to the above address. In addition please provide audited copies of the last three years of the applicants financial statements including balance sheets and the salaries of all corporate officers.

I intend to participate as a party of record and request a copy of the Commission's Rules of Practice and Procedure so that a Petition to Intervene may be filed.

By copy of this request, I am notifying the Office of Regulatory Staff and John M.S. Hoefer, Esq. I would estimate the time required for this presentation to be 15 minutes.

Your prompt response would be appreciated so that I may meet your deadlines. My telephone number is 802-926-4933 and my email address is ul_manning@bellsouth.net.
